Cheryl Giering Marks 25th Insurance Industry Anniversary

Cheryl Giering is celebrating 25 years in the insurance industry in Maryland. Cheryl came to DDM in 2001 when Diehl and Diehl merged with our agency. Since then, she became manager of our Commercial Lines New Business Department where she works with over 10 carriers in placing new business submissions. She has earned three designations over the years with DDM.

When adding up Cheryl's service years, we need to clarify that she joined Diehl and Diehl in 1994, but in actuality, she entered the insurance industry in 1988 while working for an insurance company in California then another agency in Pennsylvania.

She recently returned from a cross country road trip to California and back with her family. In her spare time, Cheryl enjoys spending time with her family and friends and visiting different wineries and brewpubs.

Congratulations, Cheryl!

DDM Insurance Participates in Local Organizations

By: Matt Deadrick, CIC

DDM Insurance has continued its tradition of giving back to our local communities and charitable organizations this year. In May, we sponsored a hole at the "Round of a Lifetime" annual golf tournament in Delaware. Proceeds from that organization promote heart health and enrich the lives of congenital heart patients through world-class golf experiences. In addition, in June we sponsored the breakfast for the *Washington, Maryland, Delaware Service Station and Automotive Repair Association's (WMDA)* golf tournament held at Renditions Golf Course in Davidsonville, MD. The event raised funds to support the *Alzheimer's Association* - 50% of the net proceeds were donated from the tournament that day.

It is always our pleasure to give back to these important causes and begin creating lasting business relationships with those also involved.
